## EXTRACT

## Taken from *The Madness of George III*, by Alan Bennett

These notes are intended to help you understand the context of the drama.

Alan Bennett's play *The Madness of George III* is set in England towards the end of the 18th century. It was first performed in London in 1991. Although based on historical events, Bennett alters some points for dramatic effect.

George III became King in 1760 at the age of 22. He reigned for almost 60 years, making him one of the longest-reigning British monarchs. His many achievements included the founding of the Royal Academy of Arts, and he was a passionate advocate of science and literature. His reign is remembered for two main reasons, however: the loss of Britain's American colonies, and his frequent bouts of mental instability, possibly caused by the illness porphyria, which affected him in his twenties and at various points later in his life. Various treatments were tried, one in particular being to apply poultices to his body, so that the resulting painful blisters would draw out his 'harmful vapours'.

At the time the play is set, Britain had two main political parties: the Whigs (led by Charles James Fox), and the Tories (led by William Pitt the Younger). The method of appointing the British Prime Minister during the reign of George III relied on the King's patronage. This is significant in the play, as Pitt is Prime Minister at the King's invitation. Pitt could be replaced by Fox if the King's illness prevented him from continuing to reign.

The play is in two Acts, and the extract consists of the whole of Act One.

The extract is set in three locations: Windsor is the residence of the King; Westminster is the home of the British Parliament, and Carlton House is the residence of the Prince of Wales. The settings are as follows:

Scene 1	Windsor
Scene 2	Windsor
Scene 3	Westminster
Scene 4	Carlton House
Scene 5	Windsor
Scene 6	Windsor
Scene 7	Windsor
Scene 8	Westminster
Scene 9	Windsor
Scene 10	Carlton House
Scene 11	Westminster
Scene 12	Windsor
Scene 13	Westminster
Scene 14	Windsor
