Syllabus and assessment materials

The syllabus is well designed, interesting to teach, accessible to learners and has been updated for first teaching in 2018. It explains what your learners need to know, how they will be assessed, and the relationship between assessment objectives and the assessed components.

Specimen papers and mark schemes will help you familiarise yourself and your learners with exam requirements, command words in questions and how to answer questions that meet the assessment objectives.

Scheme of Work

This medium term teaching plan provides ideas about how to construct and deliver Cambridge IGCSE Enterprise 0454. The syllabus has been broken down into teaching units with suggested teaching activities and learning resources to use in the classroom. This document is a guide offering advice, tips and ideas to provide you with a basis to plan your lessons.

Example Candidate Responses (ECR)

ECR booklets provide illustrative examples of candidate work at different levels of performance. Each answer is annotated with examiner comments on the awarded mark and any mistakes the candidate has made. The examiner explains how the candidate could have improved their answer, and lists common mistakes made in this question across all candidates who sat the exam. You can use the existing booklets to demonstrate the examination standard but note that these do not reflect the content changes in the 2020 syllabus. Revised booklets will be available in 2021.

Teacher Guide

This Teacher Guide offers guidance on organising and planning your teaching and on how to prepare your learners for the final assessment. This guide also suggests some teaching strategies that incorporate language learning in the classroom. Many of our candidates are either multi-lingual or possess English as a second language and by integrating language learning into normal classroom teaching, teachers can expose learners to expressing themselves in English at the same time as they are acquiring knowledge and skills within the subject.

Learner Guide

Learners can use this guide to develop an understanding of the Cambridge course and how it will be assessed, helping to increase their confidence. The guide describes each component and includes useful advice to help your learners understand what to expect in the Cambridge exams. There is some suggested help with revision and an example candidate response to demonstrate the Cambridge standard.

	Aiyana's negotiation with her family for the fruit was formal. So she
	would need to use formal language to show them she was serious.
	For example, she could talk about profit and reserve to show them she
	was thinking like an entrepreneur. Then her family would be impressed

Coursework Handbook

This is a detailed guide and introduction to the coursework component of the Cambridge IGCSE Enterprise 0454 syllabus. The handbook offers advice on the requirements of the component, provides examples of candidate work and offers guidance on course planning.

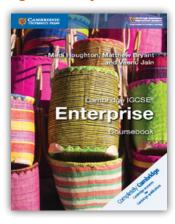

Other support

School Support Hub hosts an active Enterprise forum, which is a great way for you to keep up to date with your subject. Ask questions, get the latest information and connect with other Cambridge teachers around the world. You can also upload your own resources for the community to use, and access resources shared by others.

Our public website provides a list of endorsed textbooks for Cambridge IGCSE Enterprise 0454. Many of our syllabuses are supported by a range of different endorsed textbooks and teachers are advised to choose the one that best suits their needs. There is information on the back of textbooks about which syllabus the book supports and the year of first examination of that syllabus.

Endorsed resources go through a rigorous quality-assurance process to make sure they closely reflect the syllabus and are appropriate for Cambridge schools worldwide. Resources may be endorsed for full syllabus coverage or endorsed to cover specific sections, topics or approaches. Look for the specific 'endorsed for' logo on the resource.
