Authentication of candidates' work This is to certify that marks/assessments have been given in accordance with the requirements of the specification and that every reasonable step has been taken to ensure that the work presented is that of the candidates named. Any assistance given to candidates beyond that given to the class as a whole and beyond that described in the specification has been recorded on the *Candidate record form(s)* and has been taken into account. The marks/assessments given reflect accurately the unaided achievement of the candidates.

Malicious software (malware) All documents and files being submitted electronically have been checked and cleaned of any malware (for example computer viruses, computer worms, spyware).
